Finishing line will be situated near the Event Centre.

4. Terrain of the event

Kasprowicza Park – it is a park with very good runnability, partially with thicket and elevation changes.

5. Event form

Interval run – in every category the competitors will start at intervals of one minute. Starting list will appear 24 hours before the event on the website [www. bno.szczecin.pl](http://www.bno.szczecin.pl)

6 Map

Kasprowicza Park

Scale 1:4000

Author: Marcin Hoffman

Update: September 2014

The map was created in accordance with ISSOM regulations 2007.

7. Routes

Descriptions of the control points will be given only on the maps.

The maps will be waterproof.

8. Control points

During the event electronic punching named SportIdent will be used.

Control points will be marked in the terrain by white and orange 'flags' of 15cm x 15cm size with reflected light and SportIdent station.

SportIdent chip rental – 3 PLN per person. Loss of the rented chip – 150 PLN.

Application forms.

9. Results

The official results will be announced around 20:30 CEST (the exact hour is subject to change). The winners taking the first three places (it does not apply to OPEN category) will be awarded diplomas.

10. Enrolment and fees.

Application forms will only be accepted via the application forms on the website www.bno.szczecin.pl until October 15th 22:00 CEST

7 PLN per person for the enrolled in time.

12 PLN per person for the enrolled after October 15th or in the Event Center (provided that there will be some spare maps left). Fees will be accepted in the Event Centre shortly before the run, that is, from 18:00 to 18:45 CEST.

11. Final notes

The competitors will start at their own risk.

During the event medical care will not be provided.

It is up to the main referee to settle controversial issues.

The final interpretation of the rules is up to the organisers.

Under no circumstances should you run in spikes!
